22.74	<p><u>HIGHWAYS AND DRAINAGE ISSUES UPDATE</u> a. <u>UPDATE ON SITE VISIT ON OCTOBER 30TH.</u> This was attended by Cllrs. Ford & Day. Cllr. Vaughan had been in touch with Highways again. The culvert in the Aylsham Road is privately owned but the owner has no funds to clear this but has given permission for the Parish Council to carry out work here. As this is a pinch point for the drainage in the village, it was agreed that the Parish Council should look into what is involved in clearing this culvert. In 2019 the Parish Council carried out a lot of work to clear the drains, but it is the responsibility of land owners to keep these ditches clear. The drains from Cross Road to the old phone box have been jetted and the gully by The Poplars has been marked for clearance work.</p>

It was agreed to invite Mr. Baker to the January meeting as he had expressed an interest in attending. The Clerk read out a letter relating to the Exception Housing meeting on 21st September and asking if a survey is required as there is already evidence of support for Affordable Housing. The letter also asked if the culvert on the Aylsham Road will be cleared. E-mail from Rev. David Chamberlin about the Remembrance Service at the church on Sunday 13th. November at 10a.m. Cllr. Brown said there is also a service in the chapel at the same time. Cllr. Vaughan said there will be a two minutes silence at the Village Sign at 11a.m. on Friday 11th. November.
